This is in response to the request for reconsideration of the petition under 37 CFR 1.47(a), filed September 4, 2001.

The petition is granted.

Petitioner has shown that the non-signing inventors have refused to join in the filing of the above-identified application.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventors at the address given in the Petition. Notice of the filing of this application will also be published in the Official Gazette.

The declaration received on July 2, 2001 does not include the residence and Post Office address of all the inventors. However, the declaration received on September 4, 2001 does include the mailing address of all the inventors but is not signed. Accordingly, the declarations taken together are considered to comply with provisions of 37 CFR 1.63 and 1.64.

Telephone inquiries regarding this decision should be directed to Petitions Examiner Wan Laymon at (703) 306-5685.

This application is being forwarded to Technology Center AU 2661 for examination in due course.
